Kurikulum

Level	Learning Comprehension
1	Read and write Hangul proficiently; Understand the fundamental system of pronunciation and pronounce initial consonants, medial vowels, and final consonants correctly; Understand and apply fundamental rules of sentence structure and syntax; Have a good command of basic conversational Korean, including greetings, self-introduction, ordering food, purchasing goods, asking for directions, using public transportation, phone conversation, etc.
2	Build upon the foundation obtained in Level 1 by learning pronunciation and phoneme rules to correctly pronounce words in the sentence; Correct construction of complex and compound sentences; Appropriate use of formal, informal, and indirect speech; Learn to communicate freely in daily life and, to a certain extent, deal with everyday matters; Can understand conventional Korean culture; Develop vocabulary on the topics of food, postal service, transportation, phone communication, vacation, and household chores.
3	Develop communication skills to live with relative ease in Korea; Practice communicating opinions and correctly expressing ideas through assigned three minute speeches and role playing; Actively understand stories structured in paragraphs and the relatively complex context of conversations; Correctly use grammar and vocabulary to convey personal ideas through prose composition.
4	Use grammar learned in Level 1 through Level 3 as a basis to create varied expressions; Expand the breadth of not only common vocabulary but also Sino-Korean vocabulary, and thus better understand Korean culture and way of thinking; In addition to daily conversation skills, students will be able to write and speak in length and specifically about personal opinions on familiar topics; Listen and understand conversations and writings that are relatively long and diverse in content. Read and understand to acquire knowledge about Korean society and culture.
5	Logically and skillfully convey opinions on academic and professional discourses in the arts, humanities, social sciences and science; Understand and articulately respond to current events and topics found in the news and newspaper articles; Appropriately use vocabulary and expressions that convey the speaker's feelings and emotion when relaying information; Understand Korean values on language & education, work & leisure, science & technology, the economy, mainstream culture, tradition, nature & the environment, and family & society.
6	Able to use Korean grammar freely in complex and professional settings; Expand vocabulary and understand Korean ways of thinking through professional resources informative of Korean society and culture; Obtain vocabulary skills that enable understanding of lectures in Korean at the college level; Develop vocabulary needed to understand Korean culture and way of thinking, speak on broad topics, discuss societal problems, and understand Korean history.

Aktivitas Tambahan

Language Exchange Program

Korean cooking class

Volunteer

Job Opportunity

Cultural activities
