7. Precautions

Precautions for Application

- In principle, applicant must submit application form online, and the application number is automatically assigned immediately after payment of the admission fee.
 - An application is considered submitted only when an application number has been issued.
- After online application has been completed, required documents must be submitted to the SKKU Office of International Student Service by 17:00 on the last day of the document submission period. If the required documents are not submitted by the deadline or there are missing documents, the applicant can be disqualified.
- After paying the application fee, applicant can not cancel or modify the application.
Return of application fee is determined according to SKKU regulations.
- The judgment of the applicant's personal information is based on the application form. Therefore, the applicant must check the contents before finalizing the application(before the payment of the application fee).
- Applicants are responsible for all the disadvantages caused by omission of information(e.g. missing phone number), lack of documents, etc.

Collection and use of personal information

- Personal information is collected with the applicant's consent and is used solely for undergraduate admissions, academic and immigration-related matters in accordance with university regulations, or may be provided to authorities under applicable laws.
- SKKU outsources the online application to "JINHAK APPLY" and some personal information can be used and collected by "JINHAK APPLY" for application processing.
- Collected Personal Information
: Alien registration number, passport number, name, application number, type of application, choice of admission units, name of graduated high school / date of graduation, the applicant's addresses and phone numbers, e-mail address, emergency contacts, Fee / Tuition return account number, guardian's name and nationality, personal information such as ID and PW for verification of authenticity of official language proficiency test /IB/ SAT report card, etc.

Acceptance and cancellation of admission

- If a prospective high school graduate fails to graduate, or if any submitted documents are forged or falsified, the personal statement is ghostwritten or plagiarized, or false information is provided in the application form, admission and enrollment will be revoked even after the student has been admitted.
- Any case of cheating is subjected to rejection of admission even after the enrollment.
- The applicant who violates the application eligibility is subjected to rejection of admission even after the enrollment.
- The cases of academic background found out to be different from the information on the submitted documents, or SKKU fails to inquire into the applicant's academic background within 6 months after the enrollment are also subjected to rejection of admission even after the enrollment.
- Other irregularities, including those mentioned above, will result in denial of admission even after enrollment. Submitted documents, application fee and tuition already paid will not be returned and refunded.

Others

- The applicant is responsible for all disadvantages caused by not checking the application guidelines.
- SKKU will not disclose any of the evaluation criteria and detailed results(grade, application eligibility, reasons for rejection, etc.).
- Authenticity of documents is determined by SKKU's Committee of International student admission.
- Foreign high school(expected) graduates are considered to have agreed to academic record disclosure and inquiry process, and must cooperate with the inquiry procedure conducted after the acceptance from the university.
- Successful candidate expected to graduate from high school must submit the **Final Certificate of Graduation/Transcript** to the Office of International Student Services by due date(mentioned in the Admissions Guide) after the acceptance.
 - ※ Students graduated from overseas high school must submit it with [Apostille or consular confirmation of Korean Embassy](#)
 - ※ Failure of submission may lead to cancellation of the acceptance
- **Application closes at 17:00 on the final day of each round.**(Revision is not available after the deadline)
- **All documents must arrive before the deadline. Failure of submission may lead to disadvantages.**
 - ※ If the documents cannot be submitted by the deadline due to unavoidable reasons, the submission must be done within a separate period according to guidance (The applicants are responsible for the disadvantages due to failure of submission)
- **Successful candidates in 1st round CAN also reapply in 2nd round.**
(Double registration is strictly not allowed if they got accepted in both)
- Applicant who significantly interfere with admission process can be legally liable.
- All the details related to the admission should be confirmed directly by the applicant via SKKU's International Student Admissions homepage.
- After receipt of application fee, the applicant can not withdraw the application and the fee will not be returned. However, there will be return of partial or whole application fee in cases abide by Korean 「Higher education act」 and 「Enforcement Ordinance of higher education act」.
- All submitted documents **will not be returned** for any reason.
- The date and time of the application guidelines and other guidance materials are based on Korean Standard Time.
- Details not specified in the admission guide are subject to our university's criteria and regulation.
- The Korean version of the Admission Guide will be the main reference for all information on application and evaluation process in case of misinterpretation in the English and Chinese versions.
- The applicant may not be selected if he/she is judged to have difficulty studying at Sungkyunkwan University(SKKU).
- Dual enrollment between our university and other universities is not permitted
