※ The Department of Electrical Engineering, Department of Electronic Engineering, and Department of Information and Communication Engineering have been newly integrated into the School of Electrical and Electronic Engineering.

※ Within each school, students can freely choose their major (track), and degrees will be awarded accordingly.

- School of Anglo-European Humanities and Convergence Studies: English Language & Literature, French Language & Culture

※ In the School of Architecture, students will be classified into either the Architecture Major or Architectural Engineering Major according to department regulations.

- Note: Applicants for the 5-year Architecture Major must apply for the March semester only.

※ The Department of Biofood Engineering under the School of Bio-System Convergence will be newly established from the 2026 Spring Semester.

- ※ Adequate number of students will be selected for this admission.
- ※ Engineering/IT Engineering units marked with "★" operate curriculum based on ABEEK standards, and a "Professional Engineering" degree will be awarded upon graduation. (Note: Programs may change depending on department circumstances.)
- ※ In the case of Aerospace Engineering, classes may be conducted at the Aerospace Convergence Campus in Songdo International City.
- ※ University names, departments, and enrollment quotas may change following the school's internal deliberations for student-centered curriculum reform and the Ministry of Education's approval.
- ※ The prospectus posted on the official admission website is the final version; applicants must be familiar with it before submitting applications to avoid any disadvantages.
- ※ Physical Education recruitment numbers may change depending on the 2026 Ministry of Education teacher training program approval.
- ※ Nursing has been selected as an accredited university by the Korean Board of Nursing Education Evaluation.
- ※ Arts and Physical Education departments require a portfolio submission, so please check the specific portfolio regulations within this prospectus.

## < Notice Regarding Qualifications >

### 1. About Nationality

- ※ To be considered "International students whose parents are both non-Korean", applicants and parents must have obtained foreign citizenship before applicants entered high school.
- ※ In accordance with Article 11.2 (The Legal Status of People with Dual Nationality) of the Korean Nationality Act, persons with dual citizenship are regarded as Korean citizens as of January 1, 2011. Therefore, people with dual citizenship are not allowed to apply for international admission.
- ※ If there are any special matters related to family relations or nationality (divorce/remarriage/unmarried/death/disappearance/loss of Korean nationality after acquisition, etc.), students must submit documents proving this. Example) Divorce certificate, remarriage certificate, single parent certificate, death certificate, missing person certificate, certificate of loss of Korean nationality, etc.

### 2. About diploma

#### ※ Transfers

- Transfer students can apply for majors which are not related to their previous major.
- A maximum of 4 semesters will be recognized for transfer students who completed more than 4 semesters at their previous universities (or technical colleges).
- Students transferring from another university in Korea to our university must leave the country and re-enter with a new visa issued by our university. However, in some individual cases, it may be possible to change the visa status within Korea, so you must check directly with the Immigration Office.
- **For transfer students, "Completion" means that the student has obtained a certain number of credits required for completion of each grade level specified by each university. Please check the completion status before starting the application process.**
- **Current Inha University students and students on leave of absence are not eligible to apply to the transfer admission (in the exception of the graduates)**

#### < Other notices >

※ Students will receive the visa application process by email.

- Applicants abroad: Based on the admission documents, the Inha University **International Cooperation and Support Team** will send a

certificate of admission by e-mail -> The South Korean Consulate in the applicant's home country will require submission of necessary documents for visa issuance. (i.e. certificate of bank balance and diploma for the highest level of education completed, etc.)

- Applicants residing in Korea: Successful applicants residing in Korea must submit the required documents for a visa change or extension -> **Applicants will be notified by e-mail**

※ Please call **Inha University International Cooperation and Support Team** for visa inquiries: 032-860-7037~8 and/or [Interservice@inha.ac.kr](mailto:Interservice@inha.ac.kr)

※ Students transferring from another university in Korea to our university must leave the country and re-enter with a new visa issued by our university. However, in some individual cases, it may be possible to change the visa status within Korea, so you must check directly with the Immigration Office.

※ Those who pass the Admissions for International students must obtain TOPIK level 4 or higher as a graduation requirement. In addition, you must comply with all graduation regulations for each department, including obtaining the English proficiency test stipulated in the Inha Graduation Certification, to graduate.

(However, the English track students follow the graduation regulations for each department, and scholarship students invited to the GKS government and dispatched to foreign governments can be individually screened at the department.)

※ Even if the applicant holds a foreign nationality, if they attended a high school in Korea and have a record of school violence on their school transcript, this information may be considered during the evaluation by the university's Document Screening Subcommittee.

※ Anything not mentioned in the Fall 2026 Handbook of Admission is handled by the Student Admissions Committee of Inha University for International students.

## V. Admission Process

- Document evaluation 100%
  - ① There is no limit on the number of international students that can be admitted. Applicants are chosen by evaluating academic achievements, extracurricular activity, and willingness to develop. Decisions on admissions are based solely on the submitted documents.
  - ② Applicants who obtained high scores on university entrance examinations taken in their home countries (e.g. those with high academic achievement on the Gaokao of China) will be given priority consideration.
  - ③ In the event of any inconsistencies in submitted documents, the university reserves the right to deny an applicant, even if the student has already entered the university.

# VI. How to apply

**\* Notices about the Replacement Document for School Record Book**

1. This form is for applicants who do not have a school record, such as those who have graduated from (or expected to graduate) an overseas high school, those who have attended an overseas high school, those who have graduated from a foreign educational institution that is recognized by the Korean Government, and those who have the equivalent or higher academic ability than a high school graduate. This is a document to confirm the authenticity of the contents of the activity.

**\* Those who graduated from (or expected to graduate) from overseas Korean Schools do not have to submit this document.**

2. This form must be filled out by the applicant based on the facts and if there is no separate supporting document, there is no need to fill it out.

3. Applicants must fully cooperate if the university requests fact-checking on the matters described.

Original documents should be submitted for the proof of activity but if copied documents are submitted then the 'Confirmation of Submission of Copy' located in Office of Admissions Homepage - Admission - Reference Room must be submitted.(※Only for the cases with difficulties of submission of original documents due to the Covid-19)

4. If false information or other fraudulent facts are found, the applicant will be disqualified and the admission may be canceled even after acceptance.

5. In the case of submitting official language proficiency scores or external awards for math, science, and foreign language subjects, "0 point" (failure) will be processed in the document evaluation.

1) Official Language Proficiency Scores

English(TOEIC, TOEFL, TEPS), Chinese(HSK), Japanese(JPT, JLPT), French(DELF, DALF), German(ZD, TESTDAF, DSH, DSD), Russian(TORFL), Spanish(DELE) and tests regarding Chinese Characters

2) External awards for math, science, and foreign language subjects

Math	Korea Mathematics Olympiad(KMO), Korean Mathematics Competition(KMC), Online Creative Math Competition, Intercity International Math Tournament, International Mathematics Olympiad(IMO)
Science	Korea Physics Olympiad(KPHO), Korea Chemistry Olympiad(KCHO), Korea Biology Olympiad(KBO), Korea Astronomy Olympiad(KAO), Korea Earth Science Olympiad(KESO), Korea Neuroscience Olympiad, Korea Olympiad in Informatics, International Physics Olympiad, International Earthscience Olympiad, International Biology Olympiad, International Astronomy Olympiad, Korea Junior Science Olympiad
Foreign Language	National elementary, middle and high school competition(English, Chinese, Japanese, French, German, Russian, Spanish), IET (International English Test), IEWC (International English Writing Competition), GLEC (Global Leadership English Challenge), SIFEC National Speech Contest, IEEC(International English Essay Contest)

\* In addition to the list above, if you write the results of awards in various competitions (contests, Olympiads, etc.) then your screening will be processed as "0 point" (failure)

\* 'External awards' refer to competitions held by institutions other than the school, and "0 point" (failure) will be processed even when writing outside awards approved by the school principal.

6. Items that cannot be listed on the high school record book\* must neither be listed on the Replacement Document for School Record Book. There is a restriction of writing extracurricular activities that have a large trigger factor for private education, such as overseas language training. If you do not comply with this, you may be penalized in the evaluation, so do not write them down.

7. If information that implies the applicant's name, high school, parents' (including relatives') real names and social/economic status (job title, company name, position name, etc) is written, it may be disadvantageous in the evaluation, so do not write them down.

I am aware of the notices regarding the Replacement Document for School Record Book, and I will not raise objections to measures taken in violation of notices. ( Agree:  )

### [How to Write the Replacement Document for School Record Book]

1. Date of Activity
  - Those who graduated from overseas high schools (foreign educational institutions recognized by the Korean government, foreign high schools, etc): Date of participation during high school years
    - ※ High school years: period of enrollment equivalent to high school in Korea's education system (grades 10-12) / however, in the case of the British academic system, from 11th to 13th grade courses)
2. Activities: activities pertaining to the contents of the high school records (※Take a look at the notices above)
  - ※ When submitting the application form, if you entered directly your award record then it must be included in the Replacement Document for School Record Book and submitted along with supporting documents (according to the guidelines for writing the school record book, 'activities' may be evaluated blindly by the university)
3. Length: Within 100 characters including spaces per activity (1 activity for 1 number, maximum of 5 activities possible)
4. Evidence: paste serial numbers within 10 pages of single-sided A4 paper and submit in order of numbers (reduction/double-sided copying prohibited)
  - ※ For documents in a language other than Korean or English, submit notarized translations (in Korean or English) along with originals.  
(Apostille, notarized translation pages are not included in the 10 pages restriction for documentary evidence)
  - ※ The applicant's name, application number, and school name among the contents of the evidence are blinded and evaluated.
  - ※ When sending by post, do not use a stapler just submit with tongs or clips.
