Kurikulum

Level	Learning Comprehension
1	Read and write Hangul proficiently; Understand the fundamental system of pronunciation and pronounce initial consonants, medial vowels, and final consonants correctly; Understand and apply fundamental rules of sentence structure and syntax; Have a good command of basic conversational Korean, including greetings, self-introduction, ordering food, purchasing goods, asking for directions, using public transportation, phone conversation, etc.
2	Build upon the foundation obtained in Level 1 by learning pronunciation and phoneme rules to correctly pronounce words in the sentence; Correct construction of complex and compound sentences; Appropriate use of formal, informal, and indirect speech; Learn to communicate freely in daily life and, to a certain extent, deal with everyday matters; Can understand conventional Korean culture; Develop vocabulary on the topics of food, postal service, transportation, phone communication, vacation, and household chores.
3	Develop communication skills to live with relative ease in Korea; Practice communicating opinions and correctly expressing ideas through assigned three minute speeches and role playing; Actively understand stories structured in paragraphs and the relatively complex context of conversations; Correctly use grammar and vocabulary to convey personal ideas through prose composition.
4	Use grammar learned in Level 1 through Level 3 as a basis to create varied expressions; Expand the breadth of not only common vocabulary but also Sino- Korean vocabulary, and thus better understand Korean culture and way of thinking; In addition to daily conversation skills, students will be able to write and speak in length and specifically about personal opinions on familiar topics; Listen and understand conversations and writings that are relatively long and diverse in content. Read and understand to acquire knowledge about Korean society and culture.
5	Logically and skillfully convey opinions on academic and professional discourses in the arts, humanities, social sciences and science; Understand and articulately respond to current events and topics found in the news and newspaper articles; Appropriately use vocabulary and expressions that convey the speaker's feelings and emotion when relaying information; Understand Korean values on language & education, work & leisure, science & technology, the economy, mainstream culture, tradition, nature & the environment, and family & society.
6	Able to use Korean grammar freely in complex and professional settings; Expand vocabulary and understand Korean ways of thinking through professional resources informative of Korean society and culture; Obtain vocabulary skills that enable understanding of lectures in Korean at the college level; Develop vocabulary needed to understand Korean culture and way of thinking, speak on broad topics, discuss societal problems, and understand Korean history.
