- ✓ ◆ According to the Regulations for Student Enrollment of the College of Education, the acceptance rate of international students cannot exceed 10% of the total admission quota. The curriculum includes pedagogy courses, teaching aptitude and personality assessments, and a teaching practicum. Sufficient Korean language proficiency is required for successful completion of the program. The requirements for obtaining a teaching certificate and pursuing a teaching career may vary depending on applicable laws and regulations. Applicants are advised to review the relevant requirements before applying.
- ✓ ★ For the International Studies major (English track), proof of English language proficiency is required.
- ✓ * The School of Interdisciplinary Studies admits students without requiring a declared major through its Open Major Program. Students have the flexibility to choose their primary major from any department or academic field. However, their home college will remain the School of Interdisciplinary Studies. For more information on major declaration and other academic policies, please visit the school of Interdisciplinary Studies website(<https://sis.korea.ac.kr/sis/join/notice.do>).
- ✓ ***University College offers a one-year curriculum that includes required General Studies, the Intensive Korean Language Program, and the 'Incubating Program'. After completing the first-year curriculum, students may select their desired major from among 46 departments across the Humanities, Social Sciences, Natural Sciences, Arts & Design, and Engineering, and then progress into their selected department. For more information, please visit the University College website: <https://univ.korea.edu>
- ✓ Before choosing your major, please check the course catalog, curriculum and the number of English taught courses offered in the department of your interest.

03 Application Information

1. Admission Criteria (100% Comprehensive Document Review)

- ✓ There is no set quota per major.
- ✓ Evaluation is based on a holistic assessment of the submitted application and supporting documents, assessing the applicant's academic ability, aptitude for their field of study, academic language proficiency, and extracurricular activities.
- ✓ For applicants who have attended or are currently attending a Korean high school accredited by the Ministry of Education of the Republic of Korea, any records of school bullying, harassment, or violence will be qualitatively evaluated as part of the holistic documentation review.
- ✓ Admission decisions are made by the International Admissions Committee. Any other details for the application review process follow the general admission policies of Korea University.
- ✓ All details regarding the application review process, including the evaluation, are confidential and will not be disclosed.
- ✓ Applicants who apply to Korea University in an inadequate manner or interfere in the admission process may face punitive consequences and have their application revoked.

2. Application Procedures

A. How to apply online

B. Application fee payment

Field	Fees (KRW)
Humanities or Science	150,000
Art & Design	200,000

※ The application fee (including the commission fee) must be paid in full at the time of the online application submission within the deadline of the application period.

※ **Applicants applying to International Undergraduate Admission I and II simultaneously must pay the application fee for each type of admission separately.**

※ According to Article 34, Section 4, Clause 5 of the Korean Higher Education Act, the application fees will be utilized for processing the applications and remaining application fees will be returned to applicants. Each individual applicant's reimbursement shall be proportionate to the total number of applicants.

※ If the applicant chooses to have the refunded application fee transferred to a bank account, the transaction costs for using the bank services will be subtracted from the refunded application fee. If the transaction cost exceeds the refunded application fee, there will be no refund.

※ Please inspect the information on the application carefully before the application fee payment is made as the information cannot be edited, revoked nor can the fee be refunded after payment is completed. However, if an applicant is unable to complete the admission process due to a natural disaster or other circumstances beyond their control, they may submit an application fee refund form along with supporting documentation. The documents submitted for refund will be evaluated and a full or partial refund (after the transaction cost is deducted) may be possible.

C. Notices for application

- There is no set quota per major.
- Evaluation is based on a holistic assessment of the submitted application and supporting documents, assessing the applicant's academic ability, aptitude for their field of study, language proficiency.
- ※ Basically, admission for the international students is documents evaluation. However, an interview or test on specific skills may be conducted depending on the field of study. In such cases, applicants will be notified in advance with additional guidelines from the department.
- When an applicant is considered not to have satisfied the essential requirements, he or she will not be admitted.
- The admission process follow the general admission policies of Korea University.
- Details related to the application review will not be disclosed.
- Applicants who apply to Korea University in an inadequate manner or interfere in the admission process, may face punitive consequences and have their application revoked.

2. Application Procedure

A. How to apply online

※ Admitted students must submit the original copy of academic documents with the Korean Embassy or obtain consular authentication (or apostille stamps) by the designated deadline.

B. Application fee payment

Application fee	KRW 120,000
Commission fee	KRW 7,000
Total	KRW 127,000

- ※ The application fee (including the commission fee) must be paid in full at the time of the online application submission within the deadline of the application period.
- ※ Please inspect the information on the application carefully before the application fee payment is made as the information cannot be edited, revoked nor can the fee be refunded after the payment is completed. However, in the event that an applicant cannot complete the admission process due to a natural disaster, severe sickness, accident, etc., that is not attributed to the applicant, the applicant can submit an application fee refund application with proof. The documents submitted for refund will be evaluated and a full or partial refund (after the transaction cost is deducted) may be possible.

C. Notice for online application

- 1) Online applications must be made personally by each applicant. If a violation is found, the applicant may face penalties such as admission cancellation and other restrictions.
