► Notes

1. There is no major that all courses are taught in English.
2. Students admitted to the College of Buddhist Studies are not permitted to transfer to another major; however, they may apply for a double major.
3. In case of transfer students, it is possible to apply for any major regardless of their previous major. Please note that it is not allowed to change majors(Double major is permitted).
4. Students of Division of Korean Language, Literature, and Creative Writing, Division of Police Administration and Division of Theatre will choose their major at the point of graduation.
5. Division of English Language & Literature and Division of Architectural Engineering choose their major at the end of 1st year of university.
6. Business School students choose their major after completing the second semester.
7. Applicants are required to apply to two admission units by selecting both a first choice and a second choice.

Instructions for Applicants

Category	Details
Application and Documents Submission	1. All successful candidates of international admission must register at only 1 university. Admission will be cancelled if violated. 2. In principle, all documents submitted must be original. If a copy is submitted due to unavoidable circumstances, the copy must be compared with the original at the Office of International Admissions before submission. (must bring the original) It is banned to send original Degree Certificate or Hukoubu by post. (Not responsible for lost) 3. The university is not responsible for possible disadvantages from lacking required documents or incomplete paperwork, or errors in the entered information. If applicants fail to submit the required documents which affects admission status, he/she will be disqualified without further notice. 4. If there are problems in clarifying any facts on the documentation submitted by the applicant, additional submission of documents may be required. 5. Notarized copy is valid for 1 year from the start dates of application. Notarized copies that are replacing any original documents must be a 'true copy' notarization. Translation notarized documents cannot be accepted as a 'true copy' notarization. 6. Documentations in foreign languages other than English, Chinese should be translated in Korean(or English) at the notary office. (Transcript must be notarized and translated in Korean (or English). Transcript in Chinese is not acceptable) 7. Change or cancellation of the application is not allowed after the application period. 8. Application fee is not refundable after the online application period. However, partial or full amount may be refunded under unavoidable circumstances, such as erroneous payment, natural disaster, fail to meet the quorum, and change of application period after application starts, other than applicant's mistakes. (Based on the refund policy of Dongguk) 9. Applicants must use their passport picture for application. The uploaded photo will be used for issuing the student ID card after admission. 10. If any information on the application form or other submitted documents are found to be false, or if the applicant uses unfair means to obtain admission, the application will be automatically disqualified even though the semester begins. Tuition fee will be refunded based on the refund policy of Dongguk.
Nationality	1. Korean applicants holding dual nationality or applicants with stateless status are not eligible to apply. (Applicable to applicant and his/her both parents) 2. Loss of Korean nationality before the applicants starts their high school, will not be regarded as dual citizen. (Applicable to applicant and his/her both parents) 3. For those who did not acquire non-Korean nationality at birth, applicants and his/her parents must have obtained current non-Korean citizenship before the applicants started their high school. (Applicable to applicant and his/her both parents)
Language Qualification	1. TOPIK or IBT TOPIK score is valid only if it expires from 2026.11.13 to 2028.11.12.(yyyy.mm.dd) 2. Must take elective course(s) designated by the university based on applicant's TOPIK or IBT TOPIK level after admission. 3. Students must submit TOPIK or IBT TOPIK level 4 or above within the period of attending school and possible to register courses for their major and graduate(Otherwise, students will not be able to register for major courses or fulfill graduation requirements.)
Education Background	1. Applicants who completed the entire course work of primary, middle, and high school outside of Korea with an education system that extends less than 12 years are recognized as having the equivalent academic background as the applicant who graduated from a Korean high school. 2. A prospective graduate is required to submit his/her certificates related to degree (graduation, transcript and academic verification) before February, 2027. Failure to do so will cancel the admission. 3. Overseas educational institutes that are recognized by the related Education Act of its country will be accepted only. Academic credentials obtained through domestic or international School Qualification exams, homeschooling, cyber (online) education, or lifelong education are not accepted as academic ability. 4. If an applicant does not cooperate with verifying degree or any documents, admission will be cancelled even after a successful admission.
Note	1. Number of students selected is determined based on each department's educational environment and availability. 2. Submitted documents are not returned regardless of the admission results. 3. Details on the admission decisions or any information related to admission are not released. 4. Application for admission cancellation and tuition fee refund must be done by 2027.02.19.(Fri) - Required documents: Admission Cancellation Form, Copy of bank account passbook (Power of Attorney required if using an account under another person's name) ※ Tuition refund can only be made to a domestic (Korean) bank account. 5. Admissions Eligibility

Categories		Contents
General Requirement	Nationality (a or b)	a. International students whose parents are non-Korean citizens including him/herself – Applicants and both their parents must have non-Korean nationality
		b. International students who have received whole education before applying degree course from overseas schools – International students who have completed entire 16 years primary, secondary, and university education outside of Korea (plus graduate education for Ph. D course applicants) – Foreign nationality of both parents is not required
	Language Requirements (One of a-i)	a. Applicants who acquired Korean language proficiency test (TOPIK or IBT TOPIK) level 3 or higher – Only acceptable if the date of achieving score is within 2 years before the deadline for online application
		b. Applicants who acquired official English language proficiency test score – Scores over iBT 71, IELTS 5.5, New TEPS 327 – Only acceptable if the date of achieving score is within 2 years before the deadline for online application
		c. Applicants from English-speaking countries – Applicants who holds the nationality of a country where English is an official language and have completed their secondary education(high school) or university education from that country.
		d. Those who are (expected to) attain a BC,MA,DC degree from domestic university before August 31st, 2026 ※ Applicants who have obtained a degree through a Chinese-taught program are not eligible for recognition of this language proficiency requirement.
		e. Department or majors where Language proficiency test scores are not required : – Humanities · Social Science(some departments), Nature Science(some departments), Engineering (some departments), Medicine(All departments) – Global Business(100% Chinese Track)
		f. Graduates (scheduled) of the Department of Korean Language at an overseas university
		g. A person recommended by the application major that he/she has language proficiency in accordance with the above criteria (submission of a department recommendation in a prescribed form at the time of application)
		h. A person who has completed at least intermediate 2 Korean course at King Sejong Institute
		i. Those who have completed the 3rd stage of the Korea Immigration & Integration Program (KIIP) or who have obtained 61 score or more in the pre-test
Degrees offered	Master's Program	a. BA degree holders or those who are expected to attain a BA degree from domestic/overseas university by August 31st, 2026 b. Those who are considered to have equivalent education according to the related regulation c. Students can apply for a major that is different from their undergraduate major d. Students pursuing a major that is different from their previous major must earn certain credits from undergraduate prerequisite courses after admission
	Ph. D Program	a. MA degree holders or those who are expected to attain a MA degree from domestic/overseas university by August 31st, 2026 b. Those who are considered to have equivalent education according to the related regulation c. Students can apply for a major that is different from their undergraduate and graduate study. d. Students pursuing a major that is different from their previous major or from night/special school must earn certain credits from master's prerequisite courses
	Master's – Ph. D Integrated Program	a. BA degree holders or those who are expected to attain a BA degree by August 31st, 2026 from domestic/overseas university b. Those who are considered to have equivalent education according to the related regulation c. Students pursuing a major that is different from their undergraduate major are required to earn certain credits from undergraduate prerequisite courses d. Applicants who wish to transfer to the Integrated Master's–Doctoral Program in their third semester must be current Master's students who have completed at least two semesters, and applications are limited to the same department. Additional eligibility requirements may be determined by each department or major. Students who have already completed their coursework, or those expected to complete coursework after the end of the Spring semester of the 2026 academic year, are not eligible to apply. e. The admission criteria for the Master's–Ph.D integrated program follows Ph. D admission criteria
Others	Medicine, Korean Medicine	Applicants from non-identical departments (majors), including those from Medicine and Korean Medicine, as well as graduates of overseas universities, are eligible to apply if they are able to conduct basic research and experiments on a full-time basis and have been recommended by the Chair of the Department of Medicine or Korean Medicine at our graduate school.
	Transfer	No transfer admission for international students

Instructions for Applicants

1. Documents Submission and Application

- a. In principle, all documents submitted must be original. If a copy of the original is submitted due to unavoidable circumstances, the copy must be compared with the original at the Office of International Students before submission.
- b. Dongguk University is not responsible for possible disadvantages from lacking required documents or incomplete paperwork. If the applicant fails to submit the required documents which affect admission status, he/she will be disqualified without further notice.
- c. If any information on the application form or other submitted documents are found to be false, or if the applicant uses unfair means to obtain admission, the application will be automatically disqualified. Cancellation of admission after the first day of school, tuition fee will be refunded based on the refund policy of the graduate school.
- d. Those who are registered in another university and earned two degrees at the same time will be expelled. (based on the graduate school regulation 50, line 3)
- e. Notarized copy is valid for 12 months from the start day of application(June 15th, 2026). Notarized copies that are replacing any original documents must be a 'true copy' notarization. Translation notarized documents cannot be accepted as a 'true copy' notarization.
- f. Admission will be canceled if an applicant cannot stay in Korea legally due to disapproval of visa type change or visa extension according to the regulation of the immigration office.
- g. Change or cancellation of the application is not allowed after the application period.
- h. Application fee will not be refunded after the online registration period. However, partial or full amount may be refunded under unavoidable circumstances such as erroneous payment, natural disaster, fail to meet the quorum, and change of application period after application starts, other than applicant's mistakes
- i. Applicants must use their passport picture for application.
- j. Do not submit original documents of Household Register(Hukouben) and Graduation Certificate which are hard to reissue by post.
- k. Submitted documents will not be returned.
- l. When applying & changing visa, Embassy or Immigration office will ask for the 'Graduation Certificate' and 'Verification of Deposit(VOD)'. Therefore, applicants should prepare additional 'Graduation Certificate' and 'Verification of Deposit(VOD)' after being accepted to our school.

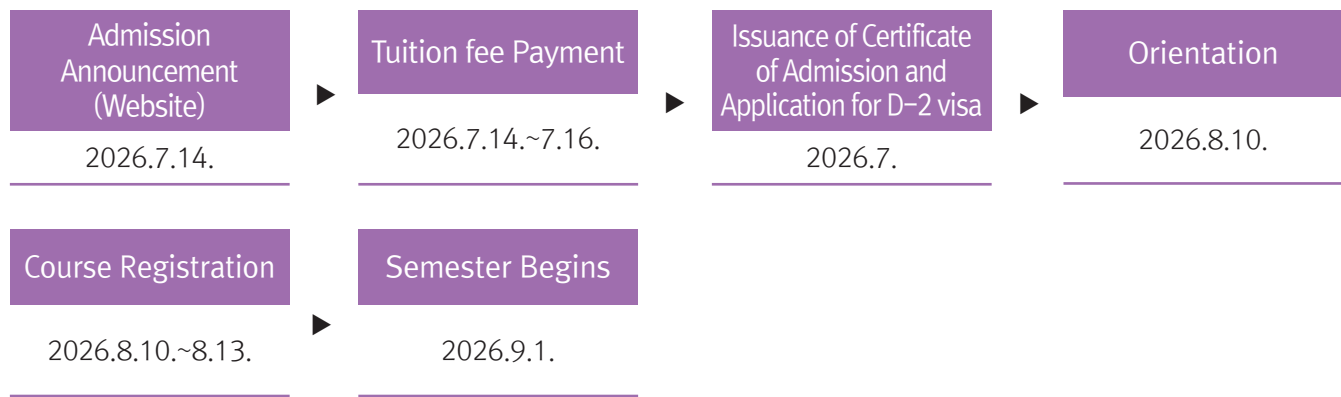

2. Nationality

- a. Applicants with dual nationality or stateless status are not eligible to apply. (Applicable to applicant and applicant's both parents)
- b. For those who did not acquire non-Korean nationality at birth, applicants and applicant's parents must have obtained current non-Korean citizenship at least 2 years prior to this application

3. Submission of TOPIK or Official English language proficiency test score

- a. Must submit either (IBT)TOPIK score level 3 or higher or official English language proficiency test score.
(Scores over iBT 71, IELTS 5.5, New TEPS 327)
Exception : Department or majors where Language proficiency test scores are not required Humanities · Social Science (some departments), Nature Science(some departments), Engineering(some departments), Medicine(All departments)
- b. If the following conditions are met, submission of (IBT)TOPIK and English proficiency test scores is waived
 - 1) Those who are (expected to) attain a BC,MA,DC degree from domestic university before August 31st, 2026
 - 2) Graduates (scheduled) of the Department of Korean Language at an overseas university
 - 3) A person recommended by the application major that he/she has language proficiency in accordance with the above criteria (submission of a department recommendation in a prescribed form at the time of application)
 - 4) A person who has completed at least intermediate 2 Korean course at King Sejong Institute
 - 5) Those who have completed the 3rd stage of the Korea Immigration & Integration Program (KIIP) or who have obtained 61 score or more in the pre-test
- c. Only valid language proficiency tests are accepted.
Language proficiency test results which are expired before the start date of application will not be accepted.
